

Hi Remote Families,

I wanted to give you information about what work your student is getting from me and some generic things to expect for fully remote learning. Hopefully you have picked up or will soon pick up a lot of materials from the school. **If you haven't received any of the following materials, please let me know.**

Your student has a binder, in it includes:

- Math and literacy menu (front pocket)
- Math games laminated pocket (math games, dry erase marker, dice, and 10 index cards inside)
- Multiple writing sheets
- Six spelling activities (multiple copies of each)
- Clip board (back pocket)

There is also a book bag, in it includes:

- Personal white board
- 5 books (3 at last tested reading level, 1 above and 1 below)
- Bag of materials that has:
 - Box of colored pencils
 - 2 pencils
 - Scissors
 - Glue stick
 - Eraser

Please note, this is not all the material for the trimester. At the next pick up, you will receive some math worksheets, sight word work, and some other activities. **Everything will also be available online.** One thing that would be super helpful is if you could let me know if you have and are able to use a printer at home. If not, you will be able to pick up materials that are needed.

Please help your student be responsible for their work/materials. If you have any questions, please reach out! Hopefully I will see everyone at back to school night tomorrow!

Sincerely,
Julia Goldman
